

A winter landscape featuring a pond in the center, surrounded by snow-covered grasses and trees. The water in the pond is a golden-brown color, reflecting the light. The foreground is filled with snow-covered branches and grasses, creating a textured, frosty appearance. The background shows a dense thicket of snow-covered bushes and trees.

Das Winterprogramm 2017 / 2018  
wird zum Ende der Sommersaison neu  
zusammengestellt.

Das aktuelle Programm findest Du [hier](#).
